

SHOWROOM TOUCH

ROUTE

THE DIGITAL SHOWROOM TOUCH.

A compact and mobile advertising totem or kiosk. Available as an interactive touch or standard display.

The compact Signo allows you to present your marketing content exactly where it's needed, even if you don't have mains power to hand. Signo Touch offers further opportunities, allowing your customers to access your products and services, via your interactive content.

The built-in USB player allows for full scheduling. Alternatively, your own media player or our wi-fi enabled player, can be stored in the base to provide full content management services. Additional smart accessories include a motion sensor which can increase battery life by several days.

FEATURES.

**15.6 INCH
TOUCH SCREEN**

**MOTION
SENSOR**

Increases running time on
battery up to 500%

**BATTERY
POWERED**

Runs up to 7 days with
12v battery
